A soaring foyer greets guests with an air of elegance, showcasing rich hardwood floors that flow throughout most of the main level, complemented by neutral tones and abundant natural light. Formal living and dining rooms flank the foyer, both adorned with trim moldings that add classic charm. A cozy wood-burning fireplace in the living room provides warmth, while French doors open to an office ideal for work or study. The breakfast area offers space for casual meals, with sliding glass doors that open to a large wraparound deck, creating an ideal indoor-outdoor connection. At the heart of the home, the impressive two-story family room features a cathedral ceiling and large windows overlooking the wooded backdrop. Completing the main level are a half bathroom and a mudroom with access to the two-car garage and side deck. Upstairs, the primary bedroom suite showcases a soaring cathedral ceiling and three walk-in closets. A sliding barn door opens to the luxurious ensuite bathroom

with a heated floor, dual-sink vanity, soaking tub, frameless walk-in shower, and convenient stacked laundry. Three additional bedrooms and a full hall bathroom with a tub-shower complete the upper level. The expansive lower level offers incredible potential for finishing to suit your needs, with access outside to the backyard for versatile use of the space. Extensive updates include a new wraparound deck, portico, and 8-foot and 6-foot sliding glass doors, all added in 2025. In 2024, a new well pump was installed at 230 feet. The year 2020 brought significant enhancements to the primary bedroom suite, including two new walk-in closets and an organizing system in the third, along with a renovated bathroom featuring a heated floor and laundry. Additional updates that year included several new windows, a mudroom addition with a side door outside, a 32-gallon well tank with a 7-year warranty, and an 80-gallon hot water heater. In 2018, a new roof, gutters with guards, and downspouts were installed, several windows were replaced, and the upstairs second bathroom was renovated. The home received a full HVAC replacement in 2016 with a 3-ton 18 SEER heat pump, variable-speed blower and coil, and 15kW backup heat.
